Feel-good times for the French capital

Will the European art market find a new centre after Brexit?

Paris Biennale 2017

SEPTEMBER 7, 2018 by **Melanie Gerlis**

Could Paris replace London as Europe’s art market centre? With [Brexit and all its uncertainties](#) around the corner in the UK and a culture-savvy president at the helm in France, market players are beginning to consider the possibility of this previously unlikely scenario.
